COMMITTEES MAKE REPORT TO CHAMBER OF COMMERCE

Board Takes Action in Favor Repeal of Full Crew Law

TO JOIN STATE ORGANIZATION

The Board of Directors of the Chamber of Commerce held their regular meeting Thursday at 4:00 p. m. The "Full Crew Bill" was discussed by J. B. Tussing and it was decided that the Board go on record as favoring its repeal, and that a copy of the resolution be mailed to our Senator, Joseph A. Herron, and to Representative J. A. Sprouls, George J. Walker, and David M. Currin.

The Forum Committee composed of Messrs Moffitt, Milliken, Crowley and Pollock, and Mrs. Rush. held a meeting Thursday afternoon at 3:30 o'clock and then appeared before the Board of Directors at 4:30 at which time they made some valuable suggestions for holding Forum Meetings. It was thought that these forum meetings ought not to be held too often and that when they are held, the topic to be discussed should create the liveliest interest. It was thought that the next topic for an open forum would probably be Borough Expansion. The Forum Commitee will have an important schedule worked out which will be presented to the public in the near future.

Messrs. Carroll and Gehoe, and Miss Richardson, apeared before the Board in the interest of parks and playgrounds. Their report clearly showed that a most thorough canvass of all the available lots and school properties in the Borough. and that nothing was found that was really satisfactory or could be made permanent. The committee reported that they desired to secure a permanent place for a park and a playground, including probably a base ball diamond and swimming pool. The Thompson property has been under consideration and will be secured if possible.

The matter of securing a street flusher was discussed by the Board and already a public subscription is being taken to purchase a machine. It was thought that something ought to be done to lay the dust in our streets and that the public willingly subscribe the amount to purchase such a flusher and that it would be maintained by either the Borough Council or by public subscriptions.

It was unanimously decided by the Board of Directors that we at once become a member of the Pennsylvania State Chamber of Commerce and that we take steps also to become a member of the United States Chamber of Commerce. The latter organization holds its Ninth Annual Convention at Atlantic City, N. J., on April 26th to 29th, 1921. Members who can should arrange to attend this convention, especially if they are travelling in the East about that time.

Mrs. Odbert's name was proposed for membership by the Women's Committee and was favorably voted upon.

The Banquet Committeee composed of Messrs. Daly, Mountser and Fox report that all details have been arranged for the banquet and that many favorable comments have been made upon the calibre of the two speakers we shall have on that evening. The members of the Chamber are urgently requested to purchase their banquet tickets at once if they wish to secure admittance to this rare treat.

VETERAN RAILROADER ON THE PENSION LIST

H. H. Bailey, of Monongahela, after serving the Pennsylvania for a period of forty years, was retired on a pension on the 12th of April. Mr. Bailey is now in his 71st year, and will take a well earned rest. Mr. Bailey began his career with the railroad company as conductor of the work train, later was a yardmaster at Shire Oaks, and of recent years has been in charge of the Pennsylvania yards at Donora.

PAPERS GRANTED TO 86 NEW CITIZENS

The April term of naturalization court was held this week at Washington before Judges McIlvaine and Brownson, with W. A. Kiefer of Pittsburg, of the United States naturalization bureau as examiner. During the week 125 men were examined, of which number 86 were granted citizenship papers, 10 were discharged and the hearings of 29 others were continued.

The principal reason for the dismissal of several of the applicants was ignorance, they not being apparently familiar with this government and not having any qualifications that would entitle them to be United States citizens. Several were held up because of incompetent witnesses. Two witnesses. foreigners were discredited. and the court ordered that they are not to be accepted as witnesses in future petitions for naturalization.

CLEAN-UP CAMPAIGN A GREAT SUCCESS

Over one hundred loads of refuse have been hauled away by the borough teams during the past two days, and the authorities say the clean-up campaign will continue until the town is free from all rubbish of whatsoever kind. The campaign for a clean town in a sanitary sense has been a success and the results have given much satisfaction to those who had it in charge.

Frank Arrigo, Walter Carson, Edward O'Hara and Joseph Ryburn of Charleroi, have been drawn on the Traverse jury for the week of May 30.

SPECIAL MUSIC AT ANNIVERSARY SERVICE

Special services commemorating the 400th anniversary of the Reformation will be held in the High school auditorium, Monessen, Sunday afternoon at 3 o'clock. These services were arranged for by a special committee composed of Rev. Schilling of Monessen, Rev. Kinports of Monongahela and Rev. Svasko of Charleroi. Rev. J. E. Dietterich of Donora, will preside at the services.

A special musical program has been arranged, with the Louhi band featuring several selections, while a special choir and a quartet will furnish the vocal numbers. There will be addresses in six languages. and singing in five. It is expected that a large assembly will be present from Monongahela, Donora, Monessen and Charleroi, and the communities surrounding them.

EUCHRE AND DANCE TUESDAY EVENING

One of the principal social events of the season in Charleroi will be held in the Elks' parlors, Tuesday evening, April 19, when a dance and euchre will be held under the auspices of the American Associaton for the Recognition of the Irish Republic. The well known and pleasing McGowan's orchestra will furnish the music and twelve valuable prizes will be awarded to successful euchre winners. The tickets have been placed at $1.00 w hich will admit to both dance and euchre.

The committee in charge of the dance is composed of Wm. A. Guiler general chairman: James Keohane, William McBride, James Oates, Jr., John Evans, James Reardon, James Gallagher. John Feehan, Frank Mangan. M .T. Crowley, George Newton. John Maines. Patrick Cavannaugh.

Committee on euchre: Mrs. Dan Dwyer chairman; Mrs. John Maines Mrs. William McBride, Mrs. Wm. Mossieaux, Mrs. Edw. Reardon, Mrs. P. Connolly. Mrs John Cavanaugh, Mrs. Wm. Comer, Mrs. John Feehan, Mrs.Cooper, Mrs. Cairnes, Mrs. James O'Brien, Mrs. John Evans, Mrs. Thomas Connors, Miss Winnifred Oates, Mrs. Mary Guiler, Mrs. Thomas Lee.

SLACK WATER NOW OVER 200 MILES ON THE OHIO

With the completion of lock and dam No. 23 on the Ohio river at Millwood, W. Va., slack water has been extended on the Ohio for a distance of 260 miles below Pittsburg or to within 12 miles of Point Pleasant.

COUNTRY CLUB WILL OPEN APRIL 28TH

A meeting of the Board of Directors of the Monongahela Valley Country Club was held in Donora last Tuesday evening, at which time plans were made for the opening of the club for the summer season were made. The date decided upon by the directors for the official opening was Thursday, April 28, and a dance will be a feature in the evening. The house committee will begin its plans at once for the affair, which is expected to be one of the largest and most enjoyable of the coming season. The new steward, T. J. Minchin, promises to have everything in his department ready for the occasion, and thereafter the dining room of the club will be open daily and high class service maintained.

The grounds committee are also hard at work with a large force of men grading and shaping the front and rear lawns, and when these are completed and the ground seeded, the driveway will be constructed. It is thought that all these details will be out of the way by April 28, the opening day fixed.

The golf links will also be in shape, the professional, J. E. Sloan, having been at work for several weeks making improvements. putting in new bunkers and constructing additional hatards. All indications are for a delightful season at the club.

LINCOLN HIGHWAY MAY PASS THROUGH COUNTY

A change in the route of the Lincoln Highway so that it will pass through Washington county is predicted in the 1921 official Lincoln highway guide, recently issued. At the present time the route from Pittsburg to East Liverpool, Ohio. is on the north side of the Ohio river through Beaver. This is through a number of small boroughs adjoining Pittsburg where traffic is heavy and the tourist is often delayed.

The proposed new route crosses the river at the Point Bridge in Pittsburg and continues to East Liverpool. It would enter Washington county at Murdocksville, and continues along the line between Beaver and Washington counties, sometimes, being in one and sometimes in the other for a long distance. It passes through Clinton, Frankfort Springs and Hookstown, and thence to Chester, W. Va., where it crosses the river to East Liverpool.

This route is good in dry weather and is in good condition, and it is believed that by next year it will be the official route of the Lincoln Highway. An effort is now being made to establish this south route as a part of the Pennsylvana state highway system and bring about its improvement.

KNIGHTS WILL ATTEND ASCENSION DAY SERVICES

McKean Commandery, No. 80. Knights Templar, will attend Ascension Day services at St. Paul's Protestant Episcopal church, Monongahela on Ascension Day, Thursday, May 5 at 2 o'clock in the evening. The sermon on that occasion will be delivered by the Rector, the Rev. Henry McClelland. A musical program in keeping with the services, along with solo and quartette numbers is being arranged for.

PROSPECTS BRIGHTEN FOR SPEERS ROAD

Commissioners and other county officials met on Friday with officials of the Pittsburg Steel Products company at Allenport, to discuss the proposed change in the Speers-Coal Centre route. where it passes through the property of the company. While the cost of construction will be heavier than by the old route. the steel company will bear a large part of the expense.

Distribution of the cost of making this change was the question at issue. While no definite result was obtained, progress in solving the problem was believed to have been made and it is thought a definite agreement will be reached within the next ten days. Another conference will be held in the near future.

With an order expected to be handed down within a few days by the public service commission distributing the cost of elimination of grade crossings and a solution of the change at the Allenport steel plant apparently in sight, hope is expressed that it will be possible to ask for bids for construction of the important river road in the near future.

CONTRACT LET ON MONONGAHELA PIKE

The State Highway Department on Friday awarded to the Jones Construction Company of Salem, Ohio. a contract for the construction of a portion of the old Williamsport pike between Washington and Monongahela. This is teh second section of this highway that has been let by the state highway department, this latter portion being 16,137 feet in length and the contract price is $198,299.75. Work on the Washington end of the road is progressing nicely, while the work of construction on the new section will be placed under way in a very short time.

Plan Card for each Member of Chamber of Commerce Who Has Paid Dues

MAY DISTRIBUTE PLACARDS

The Membership Committee of which J. B. Tussing is chairman and which is composed of thirty-one members in all met Thursday evening at eight o'clock in the Chamber of Commerce room. This is the largest committee which the Chamber of Commerce has and one which is so planted that every member of the Chamber can be easily gotten in touch with for delinquent dues, for social contact. for purposes of publicity and propaganda, and that this will be one of the most important means of holding the entire organization together. All those who are delinquent in their dues since the beginning of the year or for the second quarter, were divided among the members of this committee.

One of the most important matters discussed was that of securing a membership card that might be given to each member who has paid his dues and which would be distributed by the members of this committees. The card finally adopted to read as follows:

"Chamber of Commerce, Charleroi, Pennsylvania. Membership Card," with a blank space for the member's name and with another biank space in which should be written the date to which his dues have been paid and below this will appear the President's name in print and below that the Secretary's name will be written in, and on the back of the card will appear some such words as follows: This card will admit the bearer to the club privileges of all Chambers of Commerce, Boards of Trade, Commercial Clubs, Civic and other organizations with which the Chamber of Commerce has reciprocal relations and will be recognized by the Telegraph Company the same as their own "collect" cards. The Secretary-Manager submitted sample membership cards from fifteen other organizations and it was from these samples that the above named card was finally designed.

The Membership Committee also had in mind the securing of a suitable placard. which may be displayed in a man's office or place of business. The proper design has not yet been worked out. This design might be made of glass or celluloid or brass and if the year is given, it might be put in with detachable numbers. However this whole matter will be brought up and discussed at the next meeting which will be held on Thursday evening, April 21st, at 8:00 p. m. in the Chamber of Commerce room.

TAFT FOR CHIEF JUSTICE

It is reported that Chief Justice White will resign, that the President will appoint Mr. Taft to the vacancy and that the present incumbent wishes to see Mr. Taft become his successor. All this is highly interesting—if true. Chief Justice White is 75 years old and of late has not been in good health. He has served 27 years as a member of the Supreme Court, having been appointed Associate Justice by President Cleveland in 1894. He was made Chief Justice by President Taft in 1910. Although a Democrat and an ex-Confederate, Edward Douglas White of Louisiana widely revered for his judicial learning, was thus honored by a Republican President. He has reason to hold Mr. Taft in high regard apart from his own indebtedness, for with unusual absence of party spirit President Taft appointed two other Southern Democrats to the Supreme Court.

This part of his record alone shows that Mr. Taft possesses qualifications for a seat in the highest court—an ambition which is said to have long been his. It is related that President Roosevelt once confessed himself in doubt as to whether to choose Mr. Taft for the Supreme Court or as his successor in the White House, and that Mrs. Taft spoke for the latter and Mr. Taft for the former. But Mr. Roosevelt employed his influence to place Mr. Taft in the White House while he journeyed abroad. Later came the conflict of 1912 and the friends fell apart. Now long after Mrs. Taft had her wish, the reports indicate that Mr. Taft may have his wish also.

THE WORTH OF A SMILE

James Godfrey, an unfortunate youth of Kansas City will never again be able to smile. Scarred by accidental collision with an electric wire his face remains, wan and drawn," all his efforts to smile producing only a "puckering of the lips and a melancholy drawing of the features." A jury has awarded him $20,000 for his loss, and the figures are none too large. The smile of youth, even the smile of age, is worth more than that. For it may almost be said that a man who can not smile can not make his way through the world. Only his intimates who know his real worth can overlook his deficiency. The public in general can hardly fail to shun him, mistaking him for one incurably morose and soured. For the smile is the genial oil that speeds the wheels of industrial as well as social life.

Of course smiling can be so overdone as to lose its effect. The fixed smile of an underbred person at a social gathering is a lamentable sight. Perhaps it was such a spectacle that suggested to Victor Hugo his tragedy of the afflicted man who laughed continually. The ghastly spectacle of one unable to stop smiling whatever the circumstances might be more frightful to look upon than even an eternally smileless face. Yet the latter affliction is a tremendous misfortune that must increasingly depress both the victim and those forced to regard him daily. The jury's award to young James Codfrey is supposed to be liberal, but it can never repay him for his great loss

AUTO WRECK AT M'KEAN AND SIXTH

An automobile accident at the corner of McKean avenue and Sixth street, about 1:20 this afternoon, resulted in considerable damage to one machine, but fortunately no one was hurt. An Oldsmobile touring car driven by Finley Weir, of Monongahela, had a front axle broken and the fender damaged, while the other car had a running board damaged.

Weir, who was driving down McKean avenue, was about to turn up Sixth street, when another touring car bearing license number 382-312 coming up McKean, and occupied by three of four people came along. Evidently Weir's car hit the running board of the other auto, his machine being dragged several feet and damaged in the crash.

Weir does not know who owned the other car, as the driver left immediately after the accident, although Weir managed to get his license number.

THE FRANKLIN

Less Expense, Less Trouble, Better Service

Franklin economy is enough in itself to justify your choosing a Franklin these days. New conditions have given a new significance to the familiar Franklin figures below.

Yet economy was never the only aim—nor the only good result, of the Franklin. The principles behind it were adopted, and continued, for the superior service they gave in other ways, too.

Light weight makes the Franklin easier and safer to haddle as well as more economical of gasoline; flexibility makes it more comfortable as well as easier on tires; direct air cooling frees it from the annoyance as well as from the expense of radiator troubles.

20 miles to the gallon of gasoline
12,500 miles to the set of tires
50 pc. slower yearly depreciation

SEIZE AUTO TRUCK FOR LIQUOR "TOTING"

C. C. Gregg of Pittsburg, connected with the prohibition service, was in Monongahela on Thursday in company with another officer, and impounded an auto truck belonging to Andy Ferrello, a baker of that city. It is alleged that the truck had been used to transport liquor to Duquesne last Sunday. Ferrello claims there has been a mistake, as he was hired to haul a trunk to Duquesne and upon his return brought a bed back to Monongahela. He says if there was any liquor in the trunk it was without his knowledge.

GIRLS TO TAKE PART IN ATHLETIC CONTESTS

With entrants assured from ten high schools of Washington county, the field meet proposed for girls on the morning of May 7th in connection with the annual track and field carnival of the Washington County Interscholastic Athletic Association promises to be an event equal in rank to the competition for boys.

The meet for the girls is being planned by the Principals and Teachers Round Table, of which C. C. Lively of Charleroi, and H. W. Cane of Monongahela are members of the committee to arrange for the event. The schools which have entered are Washington, Charleroi, Donora, Monongahela, Cecil, Centerville, Morris, Hickory, California and Bentleyville. It is expected the schools will be divided into classes and that the contest will be composed of eight events.

WOMAN RELEASED IN FREDERICKTOWN CASE

A coroner's jury which met at Fredericktown on Friday to inquire into the death of Adolph Schwartz, a merchant of that place who was killed by a rifle bullet, found a verdict which released Mrs. Martin Manelle, who had been accused of the crime, from the county jail. The jury charged Matteo Pezzini with having fired the shot which killed Schwartz and recommended that he be apprehended. Pezzini made his escape after the shooting.

A telegram was received from Hon. J. K. Tener this morning, by Secretary Heffner of the Chamber of Commerce, stating that he would be present Tuesday evening and will act as toastmaster at the Chamber of Commerce banquet to be held that evening.

PAIGE

The Most Beautiful Car in America

Master of the Highway

The world's stock car record for speed now belongs to Paige—and Paige alone.

When our "Daytona 6-66" model thundered down the beach at 102.8 miles per hour, it proved itself not only a marvelously fast car, but a superlatively *good* car.

Only giant strength and endurance could survive such a heroic test.

So these are qualities that you will find in any Paige 6-66.

We invite you to take one thorough demonstration behind the exclusive 6-66 motor and make a record of the tests.

Then ride in any other car—at any price—and compare the results.

BUICK

UTILITY is the dominating characteristic of the new Nineteen Twenty One Buick Valve-in-Head Series.

Buick engineers have always made service and power their leading principles and those who buy motor cars on this business basis will find in the new Buick series high-powered transports just as strong, durable and dependable as the highest engineering skill can make them.

While service and power are emphasized, the new Buick models are cars of striking beauty, highly attractive in lines and in appointments. In resilient spring suspension, making riding smooth and easy, and in the generous room provided for the full number of passengers, they offer a high degree of comfort.

The roomy, commodious new Buick seven passenger open car is a happy selection, combining comfort and utility with extra passenger capacity to meet every need.

Points the Way to Comfort and Health. Other Women Please Read

Moundsville, W. Va.—"I had taken doctor's medicine for nearly two years because my periods were irregular, came every two weeks, and I would suffer with bearing-down pains. A lady told me of Lydia E. Pinkham's Vegetable Compound and how much good it had done her daughter, so I took it and now I am regular every month and have no pain at all. I recommend your medicine to everyone and you may publish my testimonial, hoping that the Vegetable Compound does some other girl the good it has done me."—Mrs. GEORGE TEGARDEN, 915 Third Street, Moundsville, W. Va.

How many young girls suffer as Mrs. Tegarden did and do not know where to turn for advice or help. They often are obliged to earn their living by toiling day in and day out no matter how hard the pain they have to bear. Every girl who suffers in this way should try Lydia E. Pinkham's Vegetable Compound and if she does not get prompt relief write to the Lydia E. Pinkham Medicine Co., Lynn, Massachusetts, about her health. Such letters are held in strict confidence.

"World's Judgment Day At Hand"

"Millions Now Living Will Never Die."---Judge Rutherford.

This evil world (the unrighteous order of rulership) is rapidly passing away, and is now actually in the throes of its death struggle. The present clashing of selfseeking interests are only evidences of the vain endeavors of the old evil world to perpetuate itself in its old iniquitous way.

The old world's greatest statesman, regardless of their denominational doctrines, whether Jew or Gentile, recognize and admit that the old order has been cast off, and that radical reconstruction is necessary if there is to be peace and safety in the future. Thousands of independent Bible scholars are convinced by prophecies fulfilled that the old world ended just on time, 1914, and that the "new heavens and a new earth," the "times of refreshing," are just at hand.

If you are interested in this vital subject and why millions now living will never die, you are cordially invited to hear

C. W. ZAHNOW, of Warren, Ohio,

At the STAR Theatre, Sunday Afternoon, April 17th

at 3:00 o'clock

"For there shall be great tribulations such as has not been since the beginning of the world until now (1914-1925) no nor shall ever be, and except those days be shortened, no flesh would be saved: but for the elect's sake those days will be shortened." and millions now living will never die.

Hear the evidence, then judge and rejoice.

"I want the statement 'millions now living will never die' to be taken literally as it is in the light of fulfilled prophecy, a [illegible] Biblical proposition."
—Judge Rutherford.
